

Revel Scout - Portable LED Emergency Scene Light

STYLE ELRE-SCOUT

This tactical LED scene light is designed to increase the safety of firefighters and emergency responders on exterior scenes or inside dark spaces. The Revel Scout scene light combines a spot and flood light pattern of 14,000 lumens in a 12 lb. package.

With versatile mounting options—set, hang, strap, spike—and a removable, rechargeable ion battery, the Revel Scout transforms emergency scene lighting with operational ease.

Features

Fast, Flexible Deployment

Compact, lightweight and portable, the Revel Scout's flexibility provides more options than most LED scene lights to help you accomplish various tasks, from preventing and extinguishing fires to saving lives and property. The Revel Scout portable scene light has a versatile design that allows for multiple placement options—set on a flat surface, hung over a door, strapped to a ladder or hung on any number of vertical surfaces with its integrated spike.

Light Where You Need It

Powered by a 28V removable, rechargeable battery, the Revel Scout emergency scene light is all you need to light both your exterior scene and interior work area. Easy to move or position, the Revel Scout's combination of flood and spot-light optics increases your overall visibility when lighting exterior areas such as vehicles, structures, parking lots and overhead hazards. Continue your overhaul work inside homes, buildings, or other structures with this versatile, portable scene light.

Specifications

Style	ELRE-SCOUT
Warranty	
Weight	12 lbs (5.4)
Brand	Revel Scout
Length	13.25" (337 mm)
Width	11.5" (292 mm)
Height	11" (279 mm)
